INQUIRY INTO RACIAL VILIFICATION LAW IN NSW

Name: Mr Steve Hogan

Date received: 19/03/2013

Dear Sir/Madam

In all honesty how many of you have ever heard of the Armenians becoming victims of racial vilification in Australia. The Armenian National Committee's recent submission is politically motivated and is aimed at hiding behind such laws to avoid the scrutiny of their genocide claims which can only be judged by a competent International Court of Law. Here is a detailed analysis of the Armenian case with documented evidence that they are playing into their own hands for the continuity of their lobbying activities.
