THE TRANSPORT NEEDS OF SYDNEY'S NORTH-WEST SECTOR

Name: Mr David Wallace

Date received: 2/10/2008

1. I support the heavy rail option as the most appropriate way of servicing the North West Sector and linking with the rest of the rail network.

2. My main concern is that we reach a point where we have bi-partisan support for the project to increase the chances of it being completed.

3. We need construction action
