Marriage, as stated in the Bible, and lived out by my husband and I for the last 15 years is designed to be between a man and a woman. Please respect that. Same sex relationships need to find another name for their style of relationship because it simply IS NOT MARRIAGE. Children have the right to be brought up a Mother and a Father, one male and one female, from whom which come very special attributes to nurture the child and give him / her proper identity.
