The Canteen at Tottenham Central School is a total waste of money. It is not big enough; it doesn't have a toilet for the staff; equipment cannot fit in it and work properly. It is the size of a single car garage. 2 or 3 large homes could have been built in Tottenham for the money that this building cost the tax payers of Australia. The 'buck' has to stop somewhere and at the moment that is with Ms Gillard. It is an utter disgrace that our hard earned dollars have been wasted. No local labour was used so there was no simulation provide to the Totttenham district.
