Dear Sir

JSC CROSS CITY TUNNEL

19 MAY 2006

RECEIVED

**JOINT SELECT COMMITTEE ON THE CROSS CITY TUNNEL
INQUIRY INTO THE LANE COVE TUNNEL**

As a business operator in the Lane Cove West Business Park, we hereby object to the proposed design changes to Epping Road, as part of the Lane Cove Tunnel project.

Heggies Australia Pty Limited employs approximately 105 persons and we have been operating in the Lane Cove West Business Park for over 10 years.

The proposed narrowing of Epping Road to one lane in the vicinity of Sam Johnson Way would have a catastrophic impact on the access to Lane Cove West Business Park and will impose an adverse impact on our business. Sam Johnson Way is the ONLY access into this Business Park - traffic egress in the afternoons is already congested. There are also safety issues in regard to rapid evacuation of people working in this area in the event of an emergency event.

We request that redesign of Epping Road maintain a minimum of two (2) lanes in each direction and that the capacity of the intersection with Sam Johnson Way be designed to facilitate the adequate flow of traffic entering and leaving Lane Cove West Business Park.

We trust that you will give our submission your serious consideration and we look forward to a response at your earliest convenience. If you wish to discuss these matters further, please do not hesitate to contact me.

Yours faithfully

General Manager
