

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Name suppressed

Date received: 15/02/2013

Partially Confidential

Marriage is the union of a man and a woman you only need to look at the make up of the two human bodies.

Marriage existed before parliaments – we have no business in redefining something that has naturally existed in almost all times and places.

Children should have the right to be raised within their biological family. This is a serious human rights issue for our most vulnerable.

Redefining marriage leads to the suppression of freedom of speech and freedom of religion.
