**INQUIRY INTO THE PRIVATISATION OF PRISONS AND
PRISON-RELATED SERVICES**

Name: Mr Andrew House

Date received: 2/03/2009

I am opposed to the Sell off of NSW Prisons. Governments need to be responsible for the safety of the public and the care of the incarcerated. Is not a community judged by how it takes care of it's prisoners. Also the people currently in jail will get out one day and they need to be ready for community life. Rehabilitation of inmates is crucial.

Thank you,
Andrew House
