

**INQUIRY INTO PERFORMANCE OF THE NSW
ENVIRONMENT PROTECTION AUTHORITY**

Name: Name suppressed

Date received: 23/07/2014

Partially Confidential

i own a property neighboring Sydney water reservoir tanks . sydney water deliberately has blocked its own stormwater pits and allowed flooding onto my property. in 12 months no action . the epa was contacted 6 months ago and will not inforce them to unblock there drains . there is also blistering paint lead based peeling off the tanks walls and fragments are on my property. the epa will not document or reply to my reports. i have 200 photos ,videos, 4 reports including a flood study by professionals . yet the epa does not issue sydney water with fine or action notice . sydney water is in breach of its licence to supply water and maintain the facility. i have moved out of the home i have structural damage and possibility of soil contamination . i welcome an inquiry into the epa . note a neighboring property is also a chidlcare . i have emailed reports to epa
