

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Name suppressed

Partially Confidential

I would like to register my opinion that marriage should remain as a union between man and woman only. This has been traditionally accepted throughout cultures over many years. A man and a woman are those who have the physical ability to create children and this family combination is what has been traditionally accepted. That some of these marriages fail is no reason to alter this arrangement. I believe more funding should be provided to assist couples who are having difficulty with their marriage, rather than decreasing funding in this area.
