**INQUIRY INTO THE PRIVATISATION OF PRISONS AND  
PRISON-RELATED SERVICES**

**Name:** Mr Trevor Denham

**Date received:** 26/02/2009

---

Privatisation is all about profit, therefore it is in the interest of the private operators to ensure the jails are full to maximise profits. So trying to rehabilitate a prisoner would not be in their interest. Unless a prisoner is rehabilitated the chances of them returning is greater.
