

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Mrs Luba Korabelnikoff

Date received: 15/02/2013

Please protect "marriage" as a union of a man and a woman as it provides a stable environment for our children and grandchildren. Redefining "marriage" (a union of a man and a woman) leads to the suppression of freedom of speech and freedom of religion.
Please reconsider redefining "marriage" and protect "marriage" as a union of a man and a woman. It has existed before parliaments and across cultures and religions.
