PROPOSED SALE OF SNOWY HYDRO LIMITED

Organisation:

Name: Mrs Jeanine Treharne

Telephone:

Date Received: 26/05/2006

Theme:

Summary

We urge the State and Federal Governments to stop the proposed sale of the Snowy Hydro infrastructure. This is a vital piece of Australian taxpayers' infrastructure property and should never go into the hands of outside owners.

The scheme provides financial dividends to the government which provides an ongoing source of supply of finances for our children and their children. Stop the greedy, shortsighted sale, please!
