

INQUIRY INTO GREYHOUND RACING IN NSW

Name: Ms Ellen Dorfman

Date received: 24/10/2013

At a minimum, an independent regulatory body must be created, mandatory adoption programs put in place, and a moratorium placed on any new dog tracks.

Actually racing racing greyhounds is terrible, they are given drugs, overbred, murdered when done racing. All tracks should be CLOSED down it is a barbaric, cruel and inhumane thing to do to the dogs
