INQUIRY INTO ADOPTION BY SAME SEX COUPLES

Organisation: Non-Custodial Parents Party (Equal Parenting)

Name: Mr John Flanagan

Date received: 13/02/2009

We are opposed to the proposed adoption legislation for same-sex couples.

This is because

1. It is not the wish of the vast majority of people.
2. It is not in the best interests of the children themselves. Children need a mother and a father - not two (2) mothers nor two (2) fathers. By growing up in such a relationship, it provides the child with completely the wrong perspective on life.

We would you refer you in that regard to the attached document (also located at)
