INQUIRY INTO GREYHOUND RACING IN NSW

Name: Ms Jessica Hardie

Date received: 5/11/2013

Dear Director,

Please end Greyhound Racing, it deeply saddens me to think of all these beautiful animals killed and abused because people are exploiting them for entertainment and financial purposes.

Greyhounds make lovely companion animals, more needs to be done to promote them. Laws that require Greyhounds to be muzzled in public are a hinderance to their adoptability.

Sincerely,

Jessica Hardie
