ESTATE**

Hello!

My name is _____ and I am 14 years old. I used to live in _____ and visit Yaralla Estate almost everyday of my life since I was old enough to fit in a pram. So.. Forever.

I have so many memory's inside those iron gates and I would hate to never be able to visit them again. The horses there are what just topped it off. They are what made Yaralla Estate - it's self. My dog would be able to rome the land without hesitation. Sadly though, she passed away a few years ago. But Yaralla Estate is where we left her. Her ashes were left with the horses and the grounds to rest in peace.

That place is my home. No police horse should be roaming the premises. It was meant to be a communities vote. No one wants unfriendly police horses taking away our freedom.

When I found out all this was happening, I cried for three hours straight. That place holds all my secrets, my past, my valuable memories. But you're just taking it all away from me. Not just me, but the whole of concord west. This place wasn't just any old park. It really means something to us. I don't know if you can see that but it does. It's a big part of our lives.

Police horses can get a different place to stay. Where were they before? They were perfectly fine before all this arose. I believe they should all just go back from where they came from. No one asked for them to be here. Not one single soul.

So I am begging you. Please. Please please please!

No police horses. Just back to the original, beautiful and amazing Yaralla Estate that we all know and love.

Thankyou for listening to me, and I really do hope this makes a difference.
