INQUIRY INTO GREYHOUND RACING IN NSW

Name: Ms Ellie Mason

Date received: 5/11/2013

Dear Director,

Please stop this cruelty! Greyhounds are beautiful animals who don't deserve to be used & abused for a quick buck. It's disgusting & you should all be shamed of yourselves! Dogs are mans best friend & deserve us to be there for them to protect them. We as humans need to stop being so cruel, it is heartbreaking.

Sincerely,

Ellie Mason
