Dear Sir,

I am a regular listener to Radio 8m - 2SB - Glen Jones - who recently interviewed Professor Zolner (v) regarding Dental Health Services.

I am a Senior Citizen attending R.N.S. Hospital Dental Clinic for treatment as I can no longer afford a Private Dentist & have found the Dental Clinic staff very attentive & courteous, even though I realise there is a big waiting list, having recently had severe ear & throat problems.

I feel it is vitally important for the sake of health problems that this Service be continued as in my opinion feel it is

insufficient especially for those patients who cannot possibly afford Private Dental treatment.

I still have quite a few appointments ahead of me regarding (2) extractions plus a new Denture.

Thanking you & looking forward to further improved funding

Yours faithfully
M/s. J.A. Storrison
