## **INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW**

**Name:** Mrs Jean Mccoy

**Date received:** 16/02/2013

---

Marriage is designed as a covenant between a man and a woman only. It is because of the children and there should be no child who grows up without having a mother and a father , not same sex couples. Nothing is a substituted for this and anyone who agrees to a change in the marriage act will have to live with a society that breaks down in relation to family life.
