Summary

Dear Committee,

I am an old age pensioner (73yo), have had work done on my natural teeth at Westmead Dental Hosp. (21 months ago.) I rang dental hosp. last week & was told that I couldn't have any more dental work done now, wait till Oct '05 & ring them up & I will be put on the waiting list. (Last time I was on the waiting list it took 35yrs for me to be called in for an assessment & work.)

I know I need work on the teeth now, as fillings are ~~all~~ falling out.

I just don't have the money to go to private dentists, & not in a fund.

Hopefully your committee might hurry up the dental services.

Yours faithfully
Mrs. Joan Burton.
