**INQUIRY INTO EDUCATION AMENDMENT (ETHICS
CLASSES REPEAL) BILL 2011**

I oppose the repeal of the Education Amendment (Ethics) Act 2010." I think that parents and children should have an alternative as to what they want to learn. Ethics is a good way to teach children to become part of society and an admirable and honourable citizens within the community. Being indoctrinated in a religion does not make a respectable and responsible adult. I have been brought up a strict Christian and I don't see the relevance of it in my life in making me a good human being! I have volunteered to become a teacher of Ethics at my son's school where the program has been a great success.
