THE TRANSPORT NEEDS OF SYDNEY'S NORTH-WEST SECTOR

Name: Mr Edward Wellington

Date received: 17/10/2008

Having been a ratepayer of Baulkham Hills Shire for the last 20 years I am totally disgusted with the lies and inuendose given out by the State and Federal Governments concerning the transportaton of residents to and from homes and places of employment. I will never vote Labour while this situation remains in the mire,that I feel I will never see in my lifetime,I'm 69.It is pethetic and shows a complete lack of understanding of the situation.

The Premier is spruiking about land release in the North West and South West sectors,I plead with the Governments to understand what this will do to the traffic situation ,please ,please,give us a train,and rebate for the M2.
