

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Mr Kung Sing Loh

Date received: 15/02/2013

Sexuality is Sacred. It is the Love between a Man and a Woman; and through that Love is the Birth of a Child. Not machine manipulated as in IVF; or surrogate mothers; or paid-for male or female gamete to do the job of artificial insemination to produce a child. The Natural Birth of a Child is the result of a relationship between a Man and a Woman. It is Natural; according to Nature; and Nature has produced families which form the basic units of Society; and Nature sees to the stability of Society through this phenomenon. If you take this out of Marriage between a Man and a Woman you are upsetting Nature; and therefore you will upset the Stability of Society. Politicians can change the law anytime; but they cannot change Nature. And an unstable Society will come back to haunt humanity. This may take some time; but this self-destruction of Society will surely come; because you have upset Nature.
