Thank you for your time I only have one policy if you don't work on gaol property you don't have a job.

Outsource Henry Deane human resources and all admin jobs. Amalgamate all gaols with a population of less than 100 inmates. Reduce the number of Assistant Commissioners (there is a saving of six million alone). Mismanagement needs to be addressed, not union members.

The department had the perfect opportunity to privatise Kemsey and Wellington. This was ignored in favour of demonising Cessnock and Parklea union members.

Cessnocks unique location and community atmosphere should exempt privatisation from going ahead there is no other gaol within cooee.

Outsource head office.

Thank you
