To the Chair of the General Purpose Standing Committee No. 2

Garry and I wish to express our concerns about the ALP Greens Ethics Bill. We have raised six children and have been very happy for our children to attend Scripture in school. The foundation of our society here in Australia has been built on Christianity, and the integrity of nation is based on the principles of Christianity. It is good for our children to learn about Christianity. This bill is problematic and we wish to request it not to be approved.

Thank you for considering our voice on this matter.

Yours sincerely

Garry and Jenni Sambrook
