

**INQUIRY INTO REMOVING OR REDUCING STATION  
ACCESS FEES AT SYDNEY AIRPORT**

**Name:** Name suppressed

**Date received:** 21/10/2013

---

Partially Confidential

Dear Sir/Madam:

I commuted to Melb from my home in Darlinghurst for over 2 years and became (unfortunately!) very familiar with the congestion clogging the airport. Reducing the train fare would seem a very obvious idea to this problem. There is a real cost to the congestion around the airport and I commend the government in trying to address it. Another is to build a second airport.

Regards,
