INQUIRY INTO GREYHOUND RACING IN NSW

Name: Kim Strong

Date received: 5/11/2013

Dear Director,

As much as I support this cause, I would rather the Government spare all animals in Australia the cruelty of Death Row and hopelessness.

A LIVING creature, human or animal, deserves to live. If we don't want them, then stop breeding them (people included).

I am willing to buy a large block of land to re-house all the unwanted animals in Australia. A Grant or 2 to cover expenses, and I'm happy.

LIFE is a LIFE!

Sincerely,

Kim Strong
