INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Mrs Sabina Rensen

Date received: 15/02/2013

I have been a teacher as well as involved in counselling over many years and believe changing our laws to include same sex marriage in the Marriage Act would destroy the foundations and fabric of our society. We are created as male and female for a reason and "playing God" is dangerous, destructive and playing with fire...not only for our current generation, but for many to come. Haven't enough submissions proven the majority opinion is indeed that marriage is between a man and a woman and each child thrives when parented by a mother and a father.
