

**INQUIRY INTO RAIL INFRASTRUCTURE PROJECT  
COSTING IN NSW**

**Name:** Name suppressed  
**Date received:** 28/09/2011

---

Partially Confidential

I support an investigation into the cost methodologies used by the Transport Construction Authority, NSW Treasury and other government agencies in regard to rail and road projects. NSW pays more for its rail than in other countries and it's important to know why and whether costs are artificially inflated in NSW.
