INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Ms Susanna Barrak

Date received: 7/02/2013

To whom It may concern,

I am 100% against same sex marriage and would like my opinion to be considered. Males and females have completely different style of parenting and a child needs both styles! It has been proven time and time again the enormous impact on a childs growth and mental state, for the sake of society and its stability same sexes should not be permitted to marry or raise children! Having opinion polls based on peoples current "on the spot" knowledge cannot be used as fact of the publics opinion, voters first need to be educated of both sides explanations by a brochure / letter / booklet etc before you can see their real opinions on this matter.

From day one God made man then created woman for man, this is the way God intended for us and the only way we can ensure a strong and happy society.

Thank you for your time.

Kind Regards

Susanna Barrak
