INQUIRY INTO GREYHOUND RACING IN NSW

Name: Ms Justine Murton

Date received: 5/11/2013

Dear Director,

Please PLEASE investigate. These poor dogs have no voice so they cant save themselves. Money & conscious don't go together with humans so I'm sure this is happening. If it were children it would not be happening - the difference is barely none between animals & children - both defenseless & rely on us to protect them.....please help us do that. Please.

Sincerely,

Justine Murton
