**Upper House Inquiry into Casino Murwillumbah Rail Service Closure**

Byron Youth Service would like to lodge it's objection to the closure of this line for the following reasons:

- a. Young people need transport connections to undertake education & training options in the region
- b. Transport options in the region need to be affordable and appropriate for young people
- c. This decision impacts in a negative way on young people in the region

For a full outline of the transport needs for young people in the region please refer to "Snapshot of the Issues and Needs of Youth in Byron Shire" available on the link: [www.bys.org.au](http://www.bys.org.au)

Byron Youth Service would be interested and available to speak at any hearings into these matters.

Kind regards  
Paul Spooner  
Director
