

## **INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW**

---

I am totally against the joining of same sex couples, in marriage !  
This to me is offensive and un- Holy, at least a political stunt !

Marriage is a holy act joining a man and a woman together with Jesus Christ our Saviour .

Children are a gift from God and need a mother and father to care for them. To look after them and above all love them , bringing them up with the teachings in the Bible.

Jesus Christ is at the Centre of it ALL.

May the Holy spirit enter their hearts and give them the courage to follow the Word of God Amen.
