**INQUIRY INTO THE PRIVATISATION OF PRISONS AND
PRISON-RELATED SERVICES**

Partially Confidential

I oppose the privatisation of any Prison, recent documentaries have shown how many Privately run prisons in the USA have abused protocols for the benefit of profit making & cost cutting + the atrocious running of the Woomera Detention Centre in our own country.

There are many essential services that should remain in Public Hands ie education, health, electricity, water & prisons. I object to prisons being run for profit, to losing transparency and accountability, to job losses in the community, to putting staff and inmates in an even more dangerous situation.
