To whom it may concern,

We ask and pray for the removal of the Ethic Classes altogether, and Scripture Classes in Schools remain solitary. Scripture Classes in Schools have been a part of the History of this Nation. It is crucial to our Nation that change should not be made to the Scripture Classes, or to marriage between a man and woman, to the exclusion of all others. Time has proved them beneficial.

Our pray is for an outpouring of God's Spirit on this Country.

Sincerely,
