To Whom It May Concern,

As a dedicated Christian I am deeply concerned by the deteriorating morals, values and behaviours of our society and I believe the proposed A.L.P./Green Bell's Ethics Course will contribute heavily to this deteriorating situation.

The positive moral fabric of our society and laws of N.S.W are based upon the Judeo-Christian Ethics taught from the Holy Bible through Christian Churches and school Scripture Classes (SRE)

I support this instruction as essential to the mental, emotional and spiritual well being of the school child in their formative years.

I oppose the proposed atheistic Ethics course which does not teach right from wrong I suggest that educational videos and selected educational books be the alternative offeral to the Scripture Classes (SRE)

Sincerely
