## **INQUIRY INTO GREYHOUND RACING IN NSW**

**Name:** Ms Jessica Preston

Dear Director,

Please enforce better treatment for our greyhounds, they have no voice and are so innocent, they depend on us to look after them and these heartless people are getting away with drugging them & being inhumanely killed. It all makes my heart break, it really makes me feel sick. Not doing anything about it is just as bad as doing it yourself when it's within your power to stop it. Please help.

Thank you for your time!

Jessica Preston

Sincerely,

Jessica Preston
