Subject: Submission to greyhound racing inquiry

Dear Director,

Dear Sir/Madam,

Please end the cruelty subjected onto these beautiful animals. Not one living creature deserves the pain & torment they suffer. The people responsible for this horrible treatment should also be brought to justice. What gives them any right to treat them like this? The greyhounds should not be sent overseas to be treated even worse & the doping NEEDS to stop. Something needs to be done & these gorgeous dogs need a voice & that voice is up to us to speak for them. We can't ignore it any longer...

Thank you...

Sincerely,

Leonie Ravell
