## INQUIRY INTO HOME SCHOOLING

**Name:** Name suppressed

**Date received:** 16/07/2014

---

Partially Confidential

Please uphold the rights of Australians to educate their own children (to national standards of course). Not all children are suited to mainstream schooling. I personally know of several families that are currently homeschooling for various reasons. The children are achieving academically above and beyond others in their age group and interact regularly with other children and groups through extracurricular activities.
