INQUIRY INTO GREYHOUND RACING IN NSW

Name: Ms Danielle Stokes

Date received: 5/11/2013

Dear Director,

Please help to protect these animals. If these allegations are true, something needs to be done. To treat any animal in such a way, for the sake of sport and profits, is pathetic in this day and age and I for one do not want to support a government that turns a blind eye to this kind of behaviour.

Thank you,
Danielle

Sincerely,

Danielle Stokes
