INQUIRY INTO GREYHOUND RACING IN NSW

Name: Ms Vanessa Sztajniger

Date received: 6/11/2013

Dear Director,

Hello,

I am a 22 year old girl who is very distraught by the way these gentle giants are treated. They should not be racing dogs they deserve to be treated with respect. Greyhounds are actually really lazy dogs and just love to sit around with there human companion. Stop torturing them and let them be just dogs not racing dogs. Money is evil and whoever allows this is more evil.

Sincerely,

Vanessa Sztajniger
