INQUIRY INTO EDUCATION AMENDMENT (ETHICS CLASSES REPEAL) BILL 2011

Name: Mrs NORA LASO

Date received: 24/02/2012

Please do not repeal the Education Act (Ethics) 2010. I believe Australian children should not be submitted to a religious class of any sort. But since it is very difficult to get rid of them because of the strength of the fundamentalists within our society and in government, then the best alternative is to have the Ethics Education for diversity's sake!
