INQUIRY INTO NSW WORKERS COMPENSATION SCHEME

Name: Mr Thomas Phillips

Date received: 29/05/2012

workerscompinquiry - Fwd: protest, workers comp.

Dear Robert,

I Thomas Phillips. Citizen of Australia and resident to NSW .

Wish to, officially register my protest against the proposed changes by the NSW government to our basic rites to workers compensation.

As having been in the unfortunate situation of requiring assistance from injury (through no fault of my own), Do demand, that the beaurocrats of our discustingly mismanaged state, should take heed that the people will rise up, should they continue to deminish our rites and our way of life.

We the people will not tolerate this constant abuse.

Thank You,

Yours of little faith.

Thomas Phillips.
