## **INQUIRY INTO COAL SEAM GAS**

**Name:** Mr Matt Whealy

**Date received:** 13/09/2011

---

my name is Matthew Whealy.

I am strongly apposed to any form of Coal Seam gas mining in Australia.

I am a tax paying citizen and the co-director of an Australian company.

my vote will not go to anyone who supports Coal Seam mining in Australia.

No new well sites should commence and all current sites should be shut down and cleaned up.
