

**THE MANAGEMENT AND OPERATIONS OF THE NSW
AMBULANCE SERVICE**

Name: Suppressed

Partially Confidential

Further to my previous email I just like to add that the majority of my non-uniformed colleagues are of the same opinion as myself in that they feel neglected in terms of training and promotions. The emphasis is that the officers shall receive all the top training and plush jobs and the non-uniformed staff are treated like the poor cousins of the Service. Non-uniformed staff prefer to remain anonymous or refuse to say anything due to retributions or bullying.
