**INQUIRY INTO PLANNING PROCESS IN NEWCASTLE
AND THE BROADER HUNTER REGION**

Name: Ms Helen Knott

Date received: 27/10/2014

To Whom it concerns,

I am appalled to find that you are trying to steal King Edward Headland Reserve by devious means. As I see it, you are breaking the law by quietly rezoning this magnificent piece of land, belonging to the people of N'cle in a non transparent manner in order to develop it into a money making concern.

If you are successful, it is to be hoped that the money earned will be distributed back to the rightful owners, the people of N'castle.

Yours sincerely

Helen Knott
