

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Name suppressed

To whom it may concern,

I'd like to ask you to please support marriage equality. My partner and I have been committed to each other for the last 9 years and marriage is something we'd like to include as part of our life's milestones. We are very rarely given the opportunity to publicly celebrate our dedication for one another and marriage would be a important and legal event for both of us and our families.

As a regular Australian, we should be able to do so like everyone else.

Regards,
