As an Australian citizen I would like to make the following submission:

Redefining marriage creates the presumption that a child no longer has the right to be raised within their biological family. This is a serious human rights issue for our most vulnerable.

Redefining marriage leads to the suppression of freedom of speech and freedom of religion.

Marriage is a federal issue – the New South Wales parliament should not be attempting to redefine marriage. so please get on with the job you have been elected to do and stop interfering with issues that are outside your jurisdiction.
