INQUIRY INTO GREYHOUND RACING IN NSW

Name: Ms Michelle Bender

Date received: 5/11/2013

Dear Director,

Please use not only your power but also your conscience to stop the abuse of these gentle creatures.

They have been used, abused and killed. I am not in a position to stop this horror, but you are.

PLEASE STOP THE TORTURE of these beautiful dogs.

How do you think it feels to be bludgeoned to death? Don't know?

Unfortunately many of these dogs have known and will continue to know, if you don't stamp out this mindless sadism.

It is time for the slaughter to stop.

Sincerely,

Michelle Bender
