

## **INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW**

**Name:** Ms Melanie Isaacs

**Date received:** 30/01/2013

---

I am a heterosexual female and I strongly support marriage equality and human rights for all Australians, regardless of gender, sex, race or sexuality.

I am disappointed and embarrassed that our country still discriminates based on sexuality and will continue to actively campaign for change.

This is a topic that will strongly influence my vote and I follow closely.

The only moral and right option is to allow marriage equality.
